

Parents signing on to Wi-Fi (MMC71W)

A screenshot of a mobile browser showing the 'portal.myweblogon.com MMC71W' login page. The page has a 'Log In' header with a 'Cancel' link. Below the header is a 'Sign In' section with two input fields for 'Network Username' and 'Password'. There is a checkbox for 'I accept the Acceptable Use Policy' and a blue 'Sign In' button. Below that is a 'Request a Guest Account' button and a link to 'resend your guest account password'.

1. After selecting the correct Wi-Fi (MMC71W), a sign page that looks like the picture will populate. Please select the Request a Guest Account.

A screenshot of the 'Account' selection page. It asks the user to 'Choose the guest network you would like to access.' There is a dropdown menu currently set to 'Visitors'. Below the dropdown are 'Continue' and 'Cancel' buttons. A link to 'resend your guest account password' is also present.

2. Please select Visitors and select continue.

A screenshot of the 'Request a Guest Account' form. It instructs the user to 'Complete this form and then click "Continue"'. The form contains four required text input fields: 'Reason for Access (Required)', 'Email Address (Required)', 'Full Name (Required)', and 'Mobile Phone Number (Required)'.

3. The Following screen (Requesting a Guest Account) must be completed and filled out correctly. When you are done select Continue.

* You are granted access at that time. If you have any questions please connect I.T. Department at techsupport@mmm.edu
