Gain access to the best test-taking resources, subject-specific expert instructors and receive content and strategies necessary to master the MCAT, maximizing your potential!

DATE/TIME:

Jan. 5 - April 3, 2022

Wed. 6:00 - 9:00pm and

Sun. 10:00am - 1:00pm

FEE: \$1,500

REGISTER

In coordination with *The Princeton Review*, Marymount Manhattan College will offer the MCAT Pathways program to MMC students and alumni.

PROGRAM HIGHLIGHTS

- ♦ 66 hours, in a combination of in-person and virtual instruction, with instructors that are experts in their respective fields and are masters of MCAT content and strategy.
- ♦ Full-length practice tests to assess progress and review as well as mock MCATs designed to look and feel like the actual test plus all other available AAMC exams.
- ♦ Drills, succinct topic-specific MedFlix videos, interactive score reports and access to AAMC MCAT Official online resource materials.
- ♦ Unlimited access to *The Princeton Review's* state-of-the-art online student portal. Students receive personalized score reports that detail performance and pinpoint strengths and weaknesses.
- ♦ Access to DrillBuilder™, a tool that enhances both the speed at which content is learned and the retention of that material, so students are not just learning faster, they're learning more.
- ♦ A complete set of comprehensive subject-specific review materials from *The Princeton Review* MCAT Book Set of 12 MCAT Publications.
